

Notices

Emailed Statements:

If you would like your statements emailed to you rather than collecting from BOSCO please let Yvette know. This would save a lot of trees from wasted paper.

Absences:

Please remember to let us know if your child is going to be absent, this saves a lot of time looking for children and makes the afternoons run heaps smoother.

News board:

We now have a news board which is updated daily with all the wonderful things your children do. Check it out, the children are loving having their names on the board, and its a great way to recognise all the fantastic kids we have at BOSCO.

Committee Meeting

Next meeting is 11th August at 5.15pm in the school library. Childcare and dinner is provided.

BOSCO August Newsletter

Hi Everyone,

Welcome to BOSCO's new look newsletter. We hope you enjoy the new layout and all the interesting information we have in here.

As most of you know over the holidays we lost a very special part of BOSCO. Baelee Dain was a well loved child at both our programme's and will be dearly missed by Staff and Children. We also lost her mother Angela Dain who was a respected member of our Committee. We wish the Dain family all the best for the future and our thoughts and prayers go to them.

With the weather now improving we are getting outside as much as we can, please ensure your children come to BOSCO with a jersey or jacket to wear.

Yvette, Emma, Natala & Karla

Vege Garden

With the improving weather we started to plant our vege garden. This is located next to Room 7 (just behind the long jump). The children had a fantastic time planting the garden, and have all been really good at helping us look after it, by watering it and covering it each night. We can't wait for the end results. The money for this was a grant from the CDHB as part of a "cool food for kids" project, we also updated our kitchen equipment, and putting more focus on baking our afternoon teas.

August Birthdays

5th August ~ Maddie

15th August ~ Ashtyn

17th August ~ Ruby

Huge birthday wishes to these children, we hope all your dreams and wishes come true.

Staff

We welcome Karla Clapham to our team. Karla is currently studying towards her early childhood diploma. Her and her husband also foster for Care Solutions and she is currently working towards her Child, Youth & Family certificates. Please introduce yourselves while she gets to know everyone.

Holiday Programme

The new venue was a great success. The Staff and children had a wonderful time. Photos are available for order at \$1 each. Check them out, there are some really cool pics.

The programme for next holidays will be out by the end of this month. So keep an eye out.

Focus For August

With Maori week just been, we are focusing this month on Whanau and will be doing some Maori art work also.

We are going to start introducing Cultural days into our programme, and focus on food, games, language etc. If you have a particular culture you would like to help us with, please let us know.

Feedback

Huge thanks to those parents who filled in an evaluation form for both programmes. It helps us make the programmes better for you and your child/ren.

If you want anything added to this newsletter please see Yvette.
