

Notices

Emailed Statements:

Thanks to those that are choosing to have their statements/newsletters etc emailed, it certainly saves a lot of money in printing and copying.

Absences:

Please remember to let us know if your child is going to be absent, this saves a lot of time looking for children and makes the afternoons run heaps smoother. We do charge \$5 if we have to ring you to find out where your child is (this includes siblings)

Committee Meeting:

Next meeting is 14th September at 5.15pm in the school library. Childcare and dinner is provided in the multi-purpose room.

Feedback:

We welcome your feedback good or bad, so please remember to come and see us if there is anything we can do to help you and your children, or any changes you would like made.

BOSCO

September Newsletter

Hi Everyone,

We are now into Spring, and as the weather is improving we are spending lots of time outside. Please ensure your children are bringing (named) jackets or jerseys to wear, as it does cool down a little in the afternoons.

We hope all the dads have a fantastic day on the 6th September and that you get heaps of special attention from your kids and most of all have an awesome day with them.

Huge wishes to Natala, who will be getting married on the 20th September in Hanmer. She will be taking 2 weeks leave for her wedding and honeymoon. We hope your special day goes as planned Natala, and can't wait for photos and to hear how it all went.

Yvette, Emma, Natala, Karla & Bronya

Updated Equipment

As most of you may have noticed (or children have notified), we have bought a whole lot of new equipment for the programme. A lot of sports equipment was bought, which the children are having heaps of fun playing with. A stereo was bought which seems to be going all the time. Its great to see the children getting the enjoyment out of the new equipment. Thanks heaps to the Management Committee for approving these purchases.

September Birthdays

28th September ~ Dominic B

30th September ~ Briana

Huge birthday wishes to these children, we hope all your dreams and wishes come true.

Staff

Unfortunately we do have some changes again. Karla has decided the job is not for her, but will be staying on as a relief worker. Replacing her will be Bronya. Bronya has recently moved here from Westport with her 3 children aged 4-14. She is about to enter into the Out Of School Care and Recreation course through the open polytechnic. Please introduce yourselves as she gets to know everyone.

Holiday Programme

The programme and enrolment forms are now out for the September/October holidays. We have a very exciting programme and hope to see lots of you there. Please see Yvette or Emma for enrolment details, get in early as we do have limited numbers available.

We will also be holding a programme on the week before Christmas at the school, details out closer to then.

Focus For September

With end of term fast approaching, we have our star chart trip coming up. The children have been working very hard over the term to earn stars, the trip for those going will be 16th September. Letters will be sent out to those going next week.

Our crafts will be focusing around fathers day & spring this month.

Policy & Procedures

Our policy and procedure manual has been updated to incorporate the necessary changes to Child, Youth & Family requirements and of course the needs of your children. If you would like to view a copy, this is available at BOSCO or on our website www.bosco.org.nz. If you would prefer a copy in paper form please see Yvette for a copy.
